Comments and Recommendations:

The UI for the system and the website looks generally good with minimal room for improvements. Meanwhile, the modules, reports, and general utility of the Admin System can be improved.

Bilang isang Agency Leader, malaking hamon talaga ang pag-manage ng mga papeles, at minsan nawawala ko ang data ng mga aplikante, ahente, at kliyente. Makakatulong nang malaki ang system na ito p

Comments and Recommendations:

The layout is clean, and I could quickly find what I was looking for without any confusion. However, I did encounter a few issues. There were some features that seemed to be missing.
